

FOR IMMEDIATE RELEASE:

ImageFIRST Holds First Annual Community Giving Day Nationally

King of Prussia, PA – September 21, 2015 – ImageFIRST Healthcare Laundry Services held its first annual Community Giving Day in 13 locations across the U.S. on Friday, September 18.

On this Community Giving Day, themed “Give Where You Live”, each of the ImageFIRST locations’ associates got paid time off to volunteer at a local charity they selected, as a way to give back to the communities in which they live. Charities selected range from neighborhood renewal projects, cancer research support, parks and beaches clean up, food banks, veterans support, housing support, animal protection groups and more.

ImageFIRST’s purpose is “to build a great company by positively impacting the lives of our associates, our community, our customer and their patients.” The company has donated financially to numerous charities in the past, partnered repeatedly with groups like Ronald McDonald House Charities and St. Jude’s, as well as offered many volunteering opportunities for their associates. This first Community Giving Day was designed to mobilize the different offices on one specific day and give ImageFIRST associates the opportunity to help achieve this part of their purpose.

For details about the charities that benefited from ImageFIRST’s Community Giving Day, visit their websites at:
