

FOR IMMEDIATE RELEASE:

ImageFIRST Chicago GM Scott Majewski Now On the Back On My Feet Board

King of Prussia, PA – February 1, 2016 – Scott Majewski, the Chicago General Manager for ImageFIRST, recently accepted a position on the board of directors for Back On My Feet Chicago. Scott Majewski has been a part of ImageFIRST, known for their excellence in healthcare laundry services since 2011. The company is the largest and fastest-growing provider of healthcare laundry services to medical practices across the U.S. and Puerto Rico. As a competitive runner, Majewski is a great fit for the non-profit dedicated to helping those experiencing or at risk of homelessness through running.

Scott Majewski is now in his fifth year as the GM of ImageFIRST Chicago. He has exemplified the company's belief in giving back to the community through his relationships with both the Ronald McDonald House Charities and Back on My Feet, at both the local and national levels. Majewski set up a program to service the Ronald McDonald House Charities by processing the linens for families staying at the houses so that they had more time to focus on their children. He is proud to support the Back on My Feet charity in Chicago, helping disadvantaged individuals find employment and community.

The mission statement for Back on My Feet is to “combat homelessness through the power of running, community support and essential employment and housing resources”. The non-profit helps the homeless by organizing runs and helping to find long-term employment; they aim to provide training and employment resources, an environment that promotes accountability, and a compassionate community that offers hope. Scott Majewski and ImageFIRST are proud to support their mission by joining in training runs and participating in payroll deductions that are matched by the company dollar for dollar.
