

FOR IMMEDIATE RELEASE:

ImageFIRST NY-NJ Volunteers at Children's Specialized Hospital

King of Prussia, PA – April 15, 2016 – Associates from the provider of medical linen rental and laundry, ImageFIRST Healthcare Laundry Specialists, volunteered at the Children's Specialized Hospital last month.

In line with the company's purpose of creating a great company by positively impacting the lives of associates, communities, customers and their patients, ImageFIRST associates routinely volunteer some of their free time for a variety of charitable organizations.

Children's Specialized Hospital is one of the country's leading providers of inpatient and outpatient care to young individuals. From its 13 locations, the hospital helps children ranging in age from neonatal to 21 who face specialized health challenges. The range of those challenges includes anything from chronic illnesses and complex physical disabilities, to autism and mental health.

"Thank you for organizing a group to come in and volunteer with us at CSH. It means so much to us that organizations like ImageFIRST care about our kids and help make a difference in their lives," said Alexis of the Children's Specialized Hospital representative in a letter.

As well as giving their time, ImageFIRST associates contributed a monetary donation to the hospital.
