

FOR IMMEDIATE RELEASE:

ImageFIRST Attends Inaugural Cristo Rey High School Graduation Ceremony

King of Prussia, PA – June 6, 2016 – Associates from ImageFIRST Healthcare Laundry Specialists, the provider of medical linens rental and laundry to health systems nationwide, attended the inaugural graduation ceremony of the Cristo Rey High School Philadelphia Chapter.

Two years ago, ImageFIRST began its partnership with Cristo Rey High School, a private high school that unites a strong academic curriculum with real-life work experience for students. As a partner, the company has supported the school since 2014. One Cristo Rey seniors who graduated this June worked in the ImageFIRST corporate office for two years, and enjoyed her experience so much that it influenced her choice of college major.

In an impressive educational feat, 100% of the graduating class is set to attend college.

ImageFIRST chose Cristo Rey High School support the communities they serve, as they have given back in communities across the country. The company has donated time and resources to meaningful charities like The Ronald McDonald House, March of Dimes, Habitat For Humanity and many others.

The company brings their services not only to outpatient facilities but to inpatient facilities' departments as well. To learn more about [ImageFIRST](#), the innovations that fuel their products or their recently redesigned customer portal, interested parties are encouraged to visit the website at www.imagefirst.com.

About ImageFIRST

Founded in 1967, ImageFIRST is the largest and fastest growing national linen rental and laundry service specializing in the outpatient medical market. ImageFIRST's 36 locations nationwide serve over 6,000 medical offices every week, providing linen, patient gowns, scrubs and much more while partnering with facilities to better manage linen inventory. With a customer retention rate of over 95%, ImageFIRST is dedicated to improving patient satisfaction through quality linens and remarkable service: their Comfort Care gowns product line increases patients' favorable perception of a facility by more than 50%.
