

FOR IMMEDIATE RELEASE:

ImageFIRST Donates to Local Charities Across the Country

King of Prussia, PA – September 29, 2016 – This past July, ImageFIRST Healthcare Laundry Specialists' corporate office participated in a charitable "Penny War" competition.

This was part of the ongoing annual focus the company has on community giving throughout the nation.

The office split into groups of four and each team could earn points by donating pennies into their team's jar, or detract points from other teams by adding silver coins or dollar bills into their jars. The winning team earned the right to choose the charity to donate to, and they selected Main Line Animal Rescue (MLAR) as the recipient of the \$500 raised during the month of July.

On August 12th, ImageFIRST associates visited MLAR to donate the check along with clean linen to the no-kill shelter to assist them in their mission of finding new, loving homes for rescued pets.

Also in the month of July, ImageFIRST locations across the country, including the corporate office in King of Prussia, held a backpack drive. Each location purchased backpacks and associates donated supplies. All of the supplies collected were then packed into donated backpacks and delivered to charities of each location's choosing.

On August 18th, the corporate location donated over 100 backpacks to the Philadelphia Boys and Girls Club. The associates that participated were especially proud to help children prepare for their upcoming school year.
