

FOR IMMEDIATE RELEASE:

ImageFIRST Corporate Office Volunteers at Philabundance

King of Prussia, PA – July 17, 2017 – ImageFIRST Healthcare Laundry Specialists Corporate Office’s associates volunteered at Philabundance in downtown Philadelphia.

In alignment with their company values and purpose, the ImageFIRST associates participated in positively impacting their community by sorting over 13,000 pounds of frozen meat this past May, which was stored in the meat locker at Philabundance.

Philabundance is a Philadelphia-based hunger relief organization which was founded in 1984. Their purpose is to end hunger for the three-quarters of a million people in and around the city who face this struggle on a daily basis. The group serves people across the greater Philadelphia area from all walks of life, including seniors who are living off of a fixed income, working families, and women and children who need additional support.

ImageFIRST associates stated displaying their usual good-natured competitive spirit at the event. One associate remarked, “In true ImageFIRST style, we out-volunteered the other companies there.” The associates worked diligently to sort the meat which had been donated by charitable organizations. Through their efforts that day, they helped to serve some of the 90,000 people that Philabundance helps each week.

ImageFIRST Healthcare Laundry Specialists participates in community service efforts on a quarterly basis. The company provides medical linen rental and laundry services to healthcare facilities across the nation. To learn more about ImageFIRST, visit www.imagefirst.com.

About ImageFIRST:

Founded in 1967, ImageFIRST® is the largest and fastest growing national linen rental and laundry service specializing in the healthcare market. ImageFIRST’s 36 locations nationwide serve over 11,000 medical facilities every week providing linen, patient gowns, scrubs and more while managing their clients’ linen inventory for cost management. With a customer retention rate of over 95%, ImageFIRST is dedicated to improving patient satisfaction through quality products and remarkable service: their Comfort Care® line of gowns are proven to increase patients’ favorable perception of a facility by more than 50%.
