

IMAGEFIRST TEAMBUILDING RESULTS IN DONATION TO BRYN MAWR HOSPITAL FOUNDATION

A group from ImageFIRST truly got into the spirit of giving by taking part in a teambuilding experience to help put smiles on the faces of some well deserving kids affiliated with the **Bryn Mawr Hospital Foundation**. The result of their efforts was a generous donation of 30 brand new stuffed animals and an additional \$250 donation. The event took place at the Embassy Suites in Wayne, PA on January 26, 2018.

The ImageFIRST Family worked with **Impact 4 Good** (www.impact4good.com), a company that runs socially conscious teambuilding programs, to plan an event that would be competitive and fun for participants, while making a difference. The program selected was called “The BEST Medicine”. During the activity, approximately 30 participants were separated into 5 teams and tasked with completing various health/medicine-related challenge activities. After the points were tallied and the winning team determined, the teams received the materials needed to make stuffed animals, each with a personalized t-shirt with a hand drawn “Message of Hope” from participants.

Since its founding in 1893, Bryn Mawr Hospital has been sustained by the generosity and good stewardship of the community it serves. Bryn Mawr Hospital is a 319-bed, not-for-profit, acute-care teaching hospital dedicated to helping the community stay well ahead on the path to lifelong health. Their hospital offers a full range of services, including cancer care, orthopedic care, cardiovascular care, behavioral health, maternity care, bariatric surgery, neurovascular and a level III neonatal intensive care unit, all aided by a dedicated team of health care professionals and innovative technology.

Kelly Ann Zazyczny, Nurse Manager at the Bryn Mawr Hospital, attended the event and graciously thanked the program participants in person. Midhael D. Criscuolo, Executive Director at the Bryn Mawr Hospital Foundation, later added his sentiments via a heartfelt thank you letter. “It is especially meaningful that you took the time out of your workday to participate in a team building activity to benefit the youngest patients at the Bryn Mawr Hospital.”
