

# End-to-End Linen Solutions for Outpatient Surgical Care

Elevate Comfort. Streamline Operations. Ensure Compliance.

Outpatient surgery centers require precision and efficiency at every level of care. With ImageFIRST, you receive more than just clean linens; you gain a fully managed solution designed for clinical and operational excellence.

## ✓ PREMIUM PATIENT APPAREL

Deliver dignity and comfort to every patient with gowns designed for functionality and privacy.

- Navy Robes, Burgundy Gowns, Telemetry, IV, and Bariatric Options
- Comfort Care® Plush Gowns for a spa-like feel
- Sizing and design built for surgical environments

**Benefits:** Enhances patient experience, supports clinical access, and projects a professional image.

## ✓ SOFT, DURABLE SHEETS

Foster a clean, comfortable environment with:

- Flat, Fitted, OR, and Gurney Sheets
- Cotton/polyester blends for softness and durability

**Benefits:** Boosts patient comfort and reinforces infection control protocols.

## ✓ WARM BLANKETS, TOWELS, & UNDERPADS

Round out the recovery setting with:

- Thermal and bath blankets
- Absorbent hand towels and washcloths
- Reusable, vinyl-backed underpads for fluid protection

**Benefits:** Promotes comfort, hygiene, and sustainability.

## ✓ COMPLETE INVENTORY MANAGEMENT

Eliminate operational headaches with:

- Automated inventory tracking and replenishment
- Transparent billing and usage reporting
- Dedicated Customer Advocate support

**Benefits:** Reduces internal workload, eliminates shortages, and supports compliance.

## A FULLY MANAGED LINEN SOLUTION

### DEDICATED SUPPORT

Customer Advocate for proactive service

### HLAC ACCREDITED
